DE ANDRA ÄR CHANSLÖSA...

THE OTHERS DON'T STAND A CHANCE...

Formarna är försedda med en patenterad säkerhetsring anpassad till formens karaktär för att ge kanten stadga. Försäkra dig om att ringen sitter på plats innan du fyller formen. Ta bort säkerhetsringen innan du lossar bakverket, efterrätten eller det du tillagat.

The moulds are provided with a patented ring, with the same characteristics as the moulds, giving them a stiff edge. Ensure that the ring is well fixed to the mould before using it and remove it before turning out.
